Dear Parents

Greetings !

Welcome to the New Academic Session 2018-19:

Few initiatives to be taken up in the new academic session 2018-19:

**“There is an art of reading, as well as an art of thinking, and an art of writing.”**

- Reiterating the fact that **Newspapers & Books** are our best friends, a wide array of captivating activities have been planned for the students in the academic session 2018-19.

To judge the presentation skills, many **reading, speaking and writing competitions** / activities are to be conducted during language periods wherein newspapers serves a tool for vocabulary, sentence construction, use of language and above all, enhancing the reading skills. Besides the above mentioned literary activities, students are going to get a chance for **educational visits to historical, industrial and fun places throughout the year, as per their level and requirement.**

- In yet another endeavour towards providing positive environment and opportunities in which children are encouraged to speak up their mind, **training and orientation sessions** are going to be an integral part of the curriculum.
- Training sessions on Art & Craft, paper Mache, Paper Quilling, Puppetry, Story Telling, Time Management, Anger Management, Career Counselling, Cyber Security etc., will be organized throughout the session for students.

**Life Skills & Community Projects:** A detailed Life Skills Orientation Program will be the core agenda of Titiksha Public School. The objectives of LSO will be as under:

- To help students how the society works and how we as individuals and members of groups, communities and nations can participate. Inculcating habits of good citizenship.

**Teacher & Student Trainings & Workshops:** Inviting experts from various fields need to be increased for better performance and updation for teachers and students both.

**Other initiatives are:**

- Increasing Academic Competence and Performance
- Continuing to work on Teacher Quality and Appraisal
- Putting more effort on increasing student motivation, student behaviour and igniting the joy of learning
- Enrolling and engaging the parent community widely and actively
- Enhancing the Exposure & Global Dimensions in the Curriculum in practical manner; by introducing Video – Conferencing Sessions, Connecting Class room programs and student exchange programs.
- Read Program
- Inclusion of Cinema in Education
- Broadening the Global Dimension in curriculum

We truly look forward to the enriching academic journey that we are to embark on jointly. Together we make a difference.....

Best wishes
